

## Secondary Instructional Coaches Statewide Learning Opportunity

*For all Literacy, Math, 21<sup>st</sup> Century Teaching & Learning, or other  
Instructional Coaches working in secondary school classrooms*

### Presented By

The Pennsylvania Institute for Instructional Coaching (PIIC) in partnership with the PA Department of Education and the Annenberg Foundation

### The Workshop

This three day professional learning opportunity presented by the Pennsylvania Institute for Instructional Coaching will afford coaches a time to network and learn with school and district administrators, other coaches and IU PIIC Mentors from across the state about topics relevant to their work in schools and their goal of increasing student achievement.

Sessions to discuss teacher leadership, sustaining instructional coaching, evidence-based literacy strategies, the PIIC model of instructional coaching, and the Standards Aligned System in the context of resiliency are presented in an interactive and engaging format to encourage sharing between and among participants.

**For more information or to register, please contact your IU PIIC Mentor.**

PIIC is a statewide resource for coaches and mentors to develop and support consistent, high-quality classroom instruction and practice. The PIIC instructional mentors work with instructional coaches to help teachers improve instructional practice that will improve student engagement and academic outcomes. PIIC provides resources and professional development for mentors, coaches, administrators, other school districts and IU staff. PIIC also works to build capacity and support among school leaders — skilled leaders who are knowledgeable about instructional coaching and recognize the impact of one-on-one coaching on teacher practices and classroom instruction.
